

## **How can we sing the Lord's Song in a foreign land?**

How can we sing the Lord's Song in a foreign land?  
How can we sing the Lord's song in a foreign land?  
How can we sing? How can we sing?

The Spirit moves  
The Founder speaks  
For Mary's life is lived and breathed a certain way  
For us to hold  
For us to share  
For us to be her presence in our day

How can we sing the Lord's Song in a foreign land?  
How can we sing the Lord's song in a foreign land?  
How can we sing? How can we sing?

Her spirit speaks  
A thousand words  
For Mary's gentle way builds confidence and trust  
She calls to us  
Who bear her name  
To go into the world and do the same

Hidden and unknown  
Instruments of mercy  
Make her song our own  
As we live the journey  
We like strangers stand  
In our homeland  
Mary's- listening- heart  
Is a place to start.
